This includes any party involved in the manufacture, marketing, promotion and sale of the pharmaceutical drug Seroquel (quetiapine fumarate). The contract includes, but is not limited to, assistance related to the OAG's investigation concerning Seroquel and determining whether the manufacturer and/or related entities have caused injury to the Kentucky Medicaid program and Kentucky Medicare Part B beneficiaries. The investigation includes, but is not limited to, whether the aforementioned entities improperly marketed the drug Seroquel: (1) by deceiving physicians, consumers, the Commonwealth, and others regarding the comparative efficacy to other traditional or atypical antipsychotics; (2) by inducing medical practitioners to prescribe Seroquel despite the fact that these drugs presented a substantial risk of adverse side effects upon patients taking same; (3) by failing to warn of the substantial risks of serious medical side effects to which patients taking Seroquel would be exposed to including, but not limited to, diabetes, hyperglycemia and ketoacidosis; and (4) by unlawfully promoting Seroquel for usage in populations for which it had not received FDA approval and for which the efficacy and side effects had not been established through adequate clinical evidence.

This contract may be extended, at the option of the OAG, to include claims for violations of the Commonwealth's consumer protection statutes as a result of AstraZeneca's alleged fraudulent, unfair, false, misleading or deceptive acts and practices that resulted in the Commonwealth and Kentucky consumers expending millions of dollars for medication creating significant medical risk and/or injury for patients receiving same.

The investigation includes, but is not limited to, whether the aforementioned entities improperly marketed the drug Risperdal: (1) by

The OAG retains the right at all times to direct the litigation in all respects, including but not limited to, whether and when to initiate litigation, against whom actions will be taken, the claims to be made in said litigation, approval and/or rejection of settlements and the amount and type of damages to be requested.
